

UNITE TO INSPIRE

Developed from our community's diverse voices, our Unite to Inspire strategy ensures our community's needs are met for everyone to thrive. This strategy focuses on addressing issues in four key areas.

Building Economic Mobility creates a pathway from crisis to stability, and housing is key to this. When individuals or families have safe and affordable housing, their path to stability in our other focus areas is clear.

Fostering Childhood Success is crucial and formative in the early ages of childhood, and it doesn't end there. Our focus is on shaping early childhood opportunities as well as our future workforce.

Improving Access to Healthcare ensures that physical and mental healthcare are available and affordable for those who need it.

Supporting Safety Net Services means catching individuals and families when they fall and bring them right back to where they were.

Through Unite to Inspire, our community-driven strategy, we need your investment of dollars to build a community where everyone has the opportunity to succeed and inspire others to do the same.

We are counting on your contribution as community champions to make a lasting impact and drive meaningful change in our community. We all have a stake in creating a healthy, prosperous Eastern Iowa.

Thank you for being the crucial piece of the puzzle to foster an inclusive and equitable community. We're eager to continue collaborating with you and others VIA United Way.
