

**OUR  
GOAL:**

**75%**

**Building Economic Mobility**

creates a pathway from crisis to stability.

**Fostering Childhood Success**

is crucial and formative in the early ages of childhood and it doesn't end there.

**Improving Access to Healthcare**

ensures that physical and mental healthcare are available and affordable for those who need it.

**50%**

**Supporting Safety Net Services**

are there to catch individuals and families when they fall and bring them right back to where they were.
