VOLUNTEER

Volunteering is a great way to bring our communities together. United Way of East Central Iowa is the connector and convener in our community. By connecting with volunteer opportunities, you are supporting area nonprofits so we can continue serving Eastern Iowa's greatest needs.

Become involved in our community through our 55+ volunteer initiatives, corporate group volunteer projects, VITA – Volunteer Income Tax Assistance, Solutions Teams, and Affinity leadership roles with Women United and Emerging Leaders United.

ADVOCATE

When you use your voice to advocate for change through United Way, you support our mission to create an equitable community for all. UWECI provides advocacy groups and programs such as Civic Circle and BOLD (Board Orientation Leadership Development).

These programs engage community members to get involved in issues or causes they are passionate about and help develop our community's success. Women United also focuses on uniting funds, voices, and action to ensure the health and well-being of all women in our community.
